Portfolio gawish-abdelrahman.github.io/AbdelrahmanGawish

EDUCATION

University of Greenwich, BSc Biotechnology · London, UK

June 2024

- Board of Study representative (2020–2024)
- Hosted the Biotechnology Horizons 2050 Conference (April 2024)
- Winner, University Debate Club (March 2024)

EXPERIENCE

Marketing Coordinator · Mideast Communication Systems (MCS), New Cairo, Egypt

Sept 2025 – Present

- Plan and execute events end to end, from multi-brand stage activations to partner day experiences to recap production, alongside leading technical and operational delivery of the company's national summit presence (see Projects)
- Grew the company's LinkedIn following 38% (13,900 → 19,300+) over the past year through consistent content strategy
- Executed email marketing campaigns for event promotion, with precise formatting and brand-accurate design across every send

Marketing Intern · Mideast Communication Systems (MCS), New Cairo, Egypt

Dec 2024 – Sept 2025

- Planned and executed events for multiple vendors end to end, managing logistics and brand consistency across each
- Delivered hundreds of channel partner enablement sessions (~20 attendees each), pairing MCS and vendor specialists to build partner product knowledge and support deal closure
- Designed and managed exhibition booths across 25+ industry events for MCS and vendor partners

Hall Manager · World Urban Forum (WUF12, UN-Habitat)

November 2024

- Trained and supervised a team of 400+ ushers, ensuring professional conduct across multiple concurrent sessions
- Directed the Press Conference Hall at the largest World Urban Forum in history (37,000+ participants from 182 countries), the venue for announcements involving presidents, ambassadors, and senior UN officials
- Coordinated high-profile logistics under strict international protocol, balancing security, timing, and media requirements

PROJECTS

FDC Summit, National Technology Summit

2025 – 2026

Personally built and operated the registration system, event website, mobile app, exhibitor portal, on-site badging, and usher training for FDC Summit, Egypt's national technology summit, as part of a 10-person team delivering the event end to end. Sourced and vetted the technology partners behind it starting months out. Grew registrations to 25,000+ in 2026, double the prior edition, across an event with 300+ speakers, 80+ exhibitors, and 30+ countries represented.

SKILLS

Marketing & Events Campaign management, partner enablement, event logistics, exhibition booth design, presentation skills, event hosting (MC)
